

INDEX OF ARTICLES 1988

This index lists all articles and PT Practice Tips published in Volume 8 of *Clinical Management in Physical Therapy* (1988). The information is grouped by subject and author. The date of each article's publication is identified by the number of the issue in which the information appeared. Example: "Childhood Neuromuscular Diseases. Allsop, Kent G; Bergeson, Diana. 8.6, p 24" indicates that the article "Childhood Neuromuscular Diseases" written by Kent G. Allsop and Diana Bergeson appeared in volume 8, issue 6, on page 24. Volume 8 was published bimonthly; issue number 1 was Jan-Feb; issue number 2 was March-April; issue number 3 was May-June; issue number 4 was July-Aug; issue number 5 was Sept-Oct; issue number 6 was Nov-Dec.

ARTICLE REQUESTS

Previous issues of *Clinical Management in Physical Therapy* are available for \$7 per copy. To order, contact Office Services, APTA, 1111 N Fairfax St, Alexandria, VA 22314; 703/684-2782.

If the issue that you need is no longer available from Office Services, the staff of *Clinical Management* will provide you with a photocopy of a single article with the understanding that the article is not to be reproduced without permission.

A leg up.

Up, down, and all around. A return to full range of motion. That's just part of the story behind our lower limb CPM device. To learn more about how CPM can aid your patients' recovery, simply write or call, and we'll send you the documentation of the research and results that led to our original CPM device.

You'll also see how we've advanced in ten years to a full line of CPM equipment for hand, elbow, shoulder, leg, knee and ankle.
